INITIALS OF ASSIGNEE(S): 

INITIALS OF ASSIGNOR(S): 

9. **PLANNING ACT:** *The Planning Act, RSO, 1990 has a section that states if there is a problem with the transfer because of the statute, by including this provision it allows the parties to pursue a remedy. The absence of this clause and the presence of a problem would render the Agreement null and void from the beginning.*
9. **PLANNING ACT:** Provided that this Assignment shall not be effective to create or convey an interest in the property unless and until the provisions of the Planning Act RSO 1990 c. P13, as amended are complied with.
10. **RESIDENCY:** *This is the issue of capital gains and non-residents. If there is a profit being made the Assignor may have capital gains exposure. If the Assignor is a non-resident it is necessary to follow the provisions of the clause to ensure that the Assignee does not incur any liability.*
10. **RESIDENCY:** (a) Subject to (b) below, the Assignor represents and warrants that the Assignor is not and on completion will not be a non-resident under the non-residency provisions of the Income Tax Act which representation and warranty shall survive and not merge upon the completion of this transaction and the Assignor shall deliver to the Assignee a statutory declaration that Assignor is not then a non-resident of Canada; (b) provided that if the Assignor is a non-resident under the non-residency provisions of the Income Tax Act, the Assignee shall be credited towards the Purchase Price with the amount, if any, necessary for Assignee to pay to the Minister of National Revenue to satisfy Assignee's liability in respect of tax payable by Assignor under the non-residency provisions of the Income Tax Act by reason of this sale. Assignee shall not claim such credit if Assignor delivers on completion the prescribed certificate.
11. **ADJUSTMENTS:** *While most of the adjustments are going to be those set out in the Schedule, there may be instances where there are adjustments as set out in the clause. In any event the protocol for adjustments is detailed in this paragraph.*
11. **ADJUSTMENTS:** Any rents, mortgage interest, realty taxes including local improvement rates and unmetered public or private utility charges and unmetered cost of fuel, as applicable, shall be apportioned and allowed to the day of completion, the day of completion itself to be apportioned to Assignee.
12. **PROPERTY ASSESSMENT:** *Where there is a new property for sale in most cases there will be a change in the property assessment after the buyer has closed. This provision is similar to the one the Agreement of Purchase and Sale to notify the Assignee that such may occur.*
12. **PROPERTY ASSESSMENT:** The Assignee and Assignor hereby acknowledge that the Province of Ontario has implemented current value assessment and properties may be re-assessed on an annual basis. The Assignee and Assignor agree that no claim will be made against the Assignee or Assignor, or any Brokerage, Broker or Salesperson, for any changes in property tax as a result of a re-assessment of the property, save and except any property taxes that accrued prior to the completion of this transaction.
13. **TIME LIMITS:** *Time is important. The terms of this clause have been found in many court cases. It dictates that any requirements under the Agreement must be completed by the time allocated.*
13. **TIME LIMITS:** Time shall in all respects be of the essence hereof provided that the time for doing or completing of any matter provided for herein may be extended or abridged by an agreement in writing signed by Assignor and Assignee or by their respective lawyers who may be specifically authorized in that regard.
14. **TENDER:** *Where it appears that a transaction is not going to be completed, the courts have required that the parties be able to demonstrate that they are "ready, willing and able" to complete.*
14. **TENDER:** Any tender of documents or money hereunder may be made upon the Assignor or Assignee or their respective lawyers on the day set for completion. Money shall be tendered with funds drawn on a lawyer's trust account in the form of a bank draft, certified cheque or wire transfer using the Lynx high value payment system as set out and prescribed by the *Canadian Payments Act (R.S.C., 1985, c. C-21)*, as amended from time to time.
15. **APPROVAL OF THE AGREEMENT:** *This is a significant component of the Assignment Agreement. In most cases where the subject of the Assignment is an Agreement for new construction there will be a provision requiring the original Seller to consent.*
15. **APPROVAL OF THE AGREEMENT:** In the event that consent to this Assignment is required to be given by the seller in the Agreement of Purchase and Sale attached hereto in Schedule C, the Assignor will apply, at the sole expense of the Assignor, forthwith for the requisite consent, and if such consent is refused, then this agreement shall be null and void and the deposit monies paid hereunder shall be refunded without interest or other penalty to the Assignee.
16. **AGREE TO CO-OPERATE:** *Since both the Assignor and the Assignee have an interest in the original Agreement of Purchase and Sale, in order for the Assignment transaction to go smoothly it will be necessary for both parties to cooperate.*
16. **AGREE TO CO-OPERATE:** Except as otherwise expressed herein to the contrary, each of the Assignor and Assignee shall, without receiving additional consideration therefor, co-operate with and take such additional actions as may be requested by the other party, acting reasonably, in order to carry out the purpose and intent of this Assignment.
17. **DEFAULT BY SELLER:** *It is necessary to have a term that contemplates a default by the Seller on the original Agreement of Purchase and Sale. This provision highlights that the Assignor shall not be liable in those circumstance.*
17. **DEFAULT BY SELLER:** The Assignee and Assignor acknowledge and agree that if this Assignment Agreement is not completed due to the default of the seller for the Agreement of Purchase and Sale (Schedule C) that is the subject of this Assignment, the Assignor shall not be liable for any expenses, losses or damages incurred by the Assignee and this Assignment Agreement shall become null and void and all moneys paid by the Assignee under this Assignment Agreement shall be returned to the Assignee in full without interest.
18. **LEGAL, ACCOUNTING AND ENVIRONMENTAL ADVICE:** *Similar to all agreement forms there is a provision stating that any information provided to the parties is not meant to be legal, tax or environmental advice.*
18. **LEGAL, ACCOUNTING AND ENVIRONMENTAL ADVICE:** The parties acknowledge that any information provided by the Brokerage is not legal, tax or environmental advice.
19. **CONSUMER REPORTS:** *The Consumer Reporting Act requires that prior to obtaining a credit check it is necessary to notify, in this case the Assignee, in ten point bold type of same. Hence the clause you see in the Assignment Agreement.*
19. **CONSUMER REPORTS:** **The Assignee is hereby notified that a consumer report containing credit and/or personal information may be referred to in connection with this transaction.**

22. **TIME AND DATE:** Real estate has expanded beyond a local event. There are many transactions that have as a party someone from a different jurisdiction. If that jurisdiction is in a different time zone the possibility exists of a misunderstanding of time and dates. To avoid these issues this provision specifies that the time and date are to be governed by the location of the property.

22. **TIME AND DATE:** Any reference to a time and date in this Agreement shall mean the time and date where the property is located.

23. **SUCCESSORS AND ASSIGNS:** This is a standard provision in Agreements. To ensure that the Agreement survives a death, for example, this clause sets out that heirs, executors and so on are bound by the terms of the Agreement.

23. **SUCCESSORS AND ASSIGNS:** The heirs, executors, administrators, successors and assigns of the undersigned are bound by the terms herein. As in other Agreements, the person signing should insert the date of the signature and the signature should be witnessed. Please note the seal.
